WEDDING & EVENT DJ

LET ME INTRODUCE MYSELF..

Hello, I'm Stephanie, a highly experienced and versatile event DJ specialising in performing at corporate events and parties across the vibrant city of London.

With a passion for music that spans multiple genres, I have honed my exceptional skill and talent in reading a room, ensuring that every event I play at is unforgettable.

From sophisticated background music for lounges and bars to high-energy parties and grand hosting for large events and conferences, I tailor my DJ sets to suit the unique vibe of each occasion. Whether it's office parties, award shows, galas, or any other special event, I bring a dynamic and engaging musical experience that keeps guests entertained and the dance floor buzzing.

I pride myself on using state-of-the-art sound and lighting equipment to create an immersive and captivating atmosphere. Providing all the necessary DJ kit, I ensure seamless and professional service from start to finish.

Client REVIEWS

Radika - NHS Summer Party

"Stephanie was the DJ for our work summer party. She was excellent! Very organised, so easy to get in touch with and came early to the venue to set up. Everyone loved the music and had a great time. Thank you Stephanie!"

Sarah - Office Xmas Party

Highly Recommend Boutiqo for any wedding, party or event! Had all my guests dancing all night long! Excellent mix of music for everyone and fantastic lighting. Very professional. Thankyou so much".

Jordan - Military Winter Ball

"Quiet simply Steph the DJ made our night – hugely professional, friendly and her willingness to adapt on the fly is amazing. She comes with my highest of recommendation – if you book her you will not be disappointed".

Simon - Military Summer Ball

"WOW what an outstanding DJ we could not of asked for more for our summer function. She delivered everything we asked for and more, I felt like I was 21 again back at festivals. All the way through the process Steph was a pleasure to work with, always free to discuss our plans. Everyone at the event was raving about her. If you need a DJ, look no further than Steph".
